Activity Seasons			
OSAA Activities, including cheerleading, dance/drill, speech and music, are not traditionally defined by a single season. This is due to their direct tie to school curriculum (speech and music) or their dual role as both a support and competitive activity (cheerleading and dance/drill). Therefore, these activities have culminating events that fall within certain seasons but are not assigned to one designated season.

General Guidance for 2020-2021 School Year
<ul style="list-style-type: none"> • All Member Schools must follow all directives from the Governor’s Office, Oregon Health Authority, Oregon Department of Education, and the OSAA related to COVID-19. • When scheduling contests local/regional competition should be the priority, including consideration of cross-classification play when appropriate. • Event hosts must follow OHA guidance for large group gatherings, including number of teams, participants, and spectators. This will impact planning for jamborees, tournaments, invitationals, and multi-school events.

***Football Practice Policy:** Must have nine days of on-field football practice prior to the start of contests and follow the practice progression outlined in the [Practice Model](#). Use of football protective equipment is prohibited outside of Season 3.
